

CanooNet Mobile

The most comprehensive mobile reference for German on your iPhone

This document describes the features and functions of CanooNet Mobile. For better understanding, you are guided through the features showing the appropriate screenshot.

CanooNet is available in the App Store at <https://itunes.apple.com/app/canoonet/id294330973>

After installing the app, you are granted 20 free searches to evaluate the app before you are asked to purchase the full functionality. In case you decide not to purchase, you may still continue to use the app for browsing the substantial and informative grammar and spelling reference (via the button "Dr. Bopp").

For any questions regarding CanooNet Mobile please contact us via email at canoonet-iphone@canoo.com

Synopsis

- German dictionary, grammar reference, and spelling aid combined in a single app
- Offline mode: CanooNet works without network access
- Low-priced compared to other high-quality dictionary and grammar apps
- Fast and powerful search engine
- Convenient search and browse history
- Direct access to LEO translations and Wikipedia articles ^[1]
- Elegant design and easy to use

Comprehensive dictionary

- More than 250,000 German words
- More than 3 million inflected word forms (e.g., past tense, plural, genitive forms) – all inflected forms for each word
- More than 25,000 example phrases with explanations on specific German spelling issues

Rich word information: Overview tab

- Word class and other grammatical characteristics
- Relevant spelling information
- Links to relevant grammar and spelling rules

Rich word information: Forms tab

- Provides all inflected forms of the word
- When a word has a large number of forms: an intuitive navigation helps you quickly find the form you wish to look up

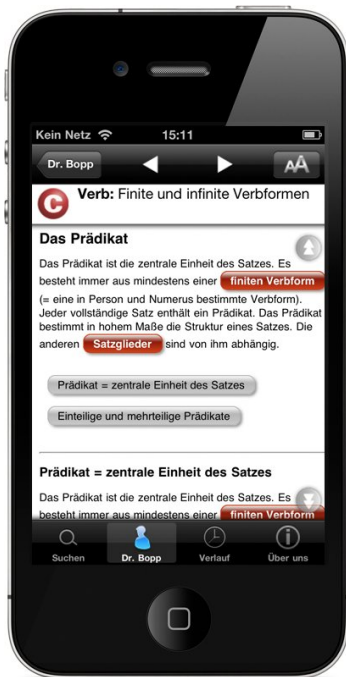

Rich word information: Thesaurus tab

- Provides synonyms, hypernym and hyperonyms for approx. 100,000 words

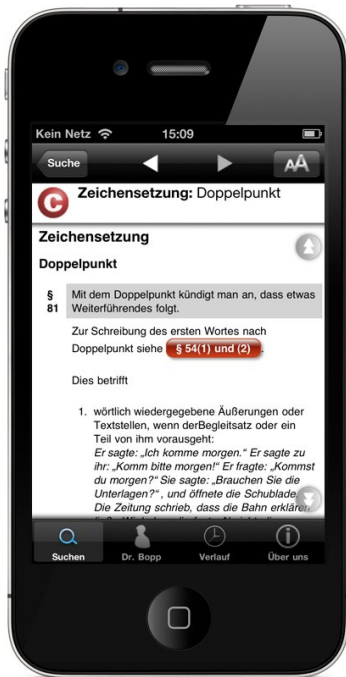

Example: For "Tisch", "Möbel" is one of its hypernyms, while "Schreibtisch" and "Altar" are two of its hyponyms.

- Organized by the word's meaning
- In many cases, synonyms are illustrated by example sentences.

Comprehensive grammar reference

- More than 550 pages
- May be searched and browsed
- Easily understood explanations
- *Sentence grammar:*
Sentence types and structures, sentence constituents, phrases, word order rules, etc.
- *Word grammar:*
Word classes and their specific properties
- *Rules on word formation*

Comprehensive spelling reference

- Approx. 150 pages
- May be searched and browsed
- Official spelling rules
- Practical guide: Spelling rules with many examples
- Spelling reform: overview on changes and extensive lists of affected words
- Explanations provided in German only

Fast and powerful search engine

- *Simultaneously search all components:* Dictionary, grammar reference, spelling reference
- *Exhaustive dictionary search:* Any inflected word form will lead you to the word.
- *Search as you type:* Matching words and grammar/spelling rules are suggested as you are typing your search word.
- *State-of-the-art spelling correction:* If you do not know the correct spelling of a word beforehand, CanooNet will find it anyway – this feature makes CanooNet a true spelling aid! Even for a heavily misspelled search word such as "sümbbahti", CanooNet will still point you to the correct form "Sympathie".
- *Word preview:* Matching words are presented with brief grammatical information to help you pick the right match.

Integrated search in LEO and Wikipedia ^[1]

- A single search takes you to hits in CanooNet, LEO, and the German Wikipedia.
- Benefit from CanooNet's search-as-you-type and spelling correction to find the words you look for in LEO and Wikipedia.
- LEO provides translations into English, French, Spanish, Italian, and Chinese.
- Wikipedia provides background information on a word.
- Search results in LEO and Wikipedia are formatted to fit your screen.

Search and browse history

- *No need to perform the same search twice:* Revisit previous word entries, grammar rules and LEO/Wikipedia searches
- *Quick and intuitive:* Consistent color icons distinguish the type of entry
- *Convenient:* Sort the history chronologically or alphabetically
- *Go back to a word you looked up yesterday:* History persists across CanooNet sessions

Very easy to use

- Intuitive navigation
- Very few finger gestures needed to take you to the information you are looking for
- Color-coded hyperlinks to word entries (blue) and grammar/spelling rules (red)

^[1] While the CanooNet content is fully available in offline mode, the external online resources (LEO and Wikipedia) do require network access.
